

**ANGELA A. STANTON, PH.D.**

---

angela@migraine-book.com

#### EDUCATION

**CLAREMONT GRADUATE UNIVERSITY – Ph.D.** Economics; May 14, 2007 Dissertation in Neuroeconomics Title: *Neural Substrates of Decision-Making in Economic Games*.  
Chair: Paul J. Zak

**HARVARD UNIVERSITY** – Visiting Fellow Functional Magnetic Resonance Imaging; MGH/MIT/HMS Athinoula A. Martinos Center for Biomedical Imaging, Harvard Medical School (2006) Certificate of Completion

**STANFORD UNIVERSITY – MS** Management Science & Engineering (2001)

**UNIVERSITY OF CALIFORNIA, RIVERSIDE – MBA** General Management (1997)

**UCLA – BS** Applied Mathematics (1995)

#### CONTINUING EDUCATION CERTIFICATION

**American Nutrition Association:** Advanced Ketogenic Nutrition 30 CED credit—July 26, 2019

**Harvard T.H. Chan School of Public Health:** Evidence-based Optimal Nutrition: The Quest for Proof—December 18, 2019

**Nutrition Network:** Low Carbohydrate High Fat Ketogenic Nutrition & Treatment 23 CED credit—June 3, 2018

#### CURRENT PROJECTS

- Establishment of the *Stanton Migraine Protocol Inc.*, a nonprofit (IRS approved 501c3);
- Providing continuing education to affiliates of the Stanton Migraine Protocol® to help migraine sufferers worldwide;
- Continued research in migraine prevention via nutritional methods;
- Finishing book on methods of ketosis for migraine prevention and treatment

#### PUBLISHED BOOKS

**Fighting The Migraine Epidemic: A Complete Guide: How To Treat & Prevent Migraines Without Medicine – September 29, 2017**

Paperback: 662 pages

Publisher: CreateSpace Independent Publishing Platform (September 29, 2017)

ISBN-10: 154697637X

ISBN-13: 978-1546976370

**Fighting the Migraine Epidemic; How to Treat and Prevent Migraines without Medicines. An Insider's View.** ISBN: 978-1-4918-6420-3 (sc) ISBN: 978-1-4918-6419-7 (e) Official publish date: 2/10/2014 by AuthorHouse (1<sup>st</sup> ed)

Contributing author of the **Encyclopedia of the Mind** Harold Pashler editor, January 14, 2013, ISBN-10: 1412950570, ISBN-13: 978-1412950572 Sage Publications

Lead editor and contributing author to **Neuroeconomics and the Firm** May, 2010, Edward Elgar Pub. Chapters written in this book: Chapter 8 ***Hormonal Influence on male decision-making: implications for organizational management***  
Chapter 2: coauthored with Dr. Isabel M Welpé ***Risk and ambiguity: entrepreneurial research from the perspective of economics***

Contributing author to **Patenting Lives.** Editor Johanna Gibson (2008, 2010, 2013) Part 3 Chapter 5: ***Forfeited Consent: Body Parts in Eminent Domain*** provided in 2007 after presenting at the School of Law, Queen Mary University of London.

Published dissertation in book as well as in peer reviewed journal. In book: ***Neural Substrates of Decision-Making in Economics Games: Hormones of Decision-Making*** VDM Verlag, Germany, ISBN-10: 3639153529; ISBN-13: 978-3639153521

#### CONFERENCE PRESENTATIONS, WORKSHOPS, CAUCUSES

Poster presentation at American Nutrition Association Conference 2019, San Diego, California, November, 2019 Personalized Nutrition  
Title: ***Migraine: From Chronic Disease to Regeneration by Nutrition***

Poster presentation at the Experimental Biology Conference 2018 (APS/Physiology), San Diego, California April 23, 2018  
Title: ***Migraines and Ionic Variations***  
Session: Ion Channels, Transporters, and Pumps in Health and Disease

Oral presentation at the AAAS, Pacific Division 98th ANNUAL MEETING Waimea • Big Island • Hawaii 19 – 23 June 2017  
Title: ***The Ionic Nature of Migraines***. (Abstract #109)

Presented at the Experimental Biology and APS (American Physiological Society) conference, Chicago, April 22-26.  
Titles presented per session:  
Experimental Biology: ***Electrolyte Homeostasis in Migraine***  
American Physiological Society: ***Migraine as a Metabolic Disease***

***The Questions (Not So) Rational Entrepreneurs Ask: Decision-Making through the Lens of Neuroeconomics***, Professional Workshop organized for the Academy of Management conference, Anaheim, CA, August 8 – 11, 2008; sponsored by the Entrepreneurship and the Research Methods Division, in co-organization with Mellani Day, Isabell Welpé, David Audretsch, and Zoltan Acs.

***Neuroeconomics of Organizations: Developing and New Field of Research***, a caucus organized for the Academy of Management conference, Anaheim, CA, August 8 – 11, 2008, in co-organization with Mellani Day, Isabell Welpé, David Audretsch, John Dickhaut, Veronica Gustafsson, Sameeksha Desai, and Zoltan Acs.

***Molecular Rationality: An Evolutionary and molecular Model of Economic Rationality***, November 21 - 23, 2009, ESA session at the Southern Economic Association annual conference, San Antonio, TX.

***Risk and Ambiguity: The Theoretical Model and its Human Representation.***

**Invited Keynote Speaker** at the Behavioral Finance & Economics Research Symposium, September 23-25, 2009, Chicago, Ill., for the Academy of Behavioral Finance & Economics joint/general session with the Academy of Entrepreneurial finance.

***Homo Irrationalicus: An Evolutionary Explanation of Rationality,*** 21st Annual Meeting of the Human Behavior & Evolution Society, May 2009, California State University, Fullerton, CA, USA

***Organizational Adaptation: Neuroscience Methodologies and Opening the Black Box***

with Mellani Day (Colorado Christian University, USA) and Isabell M. Welpé (Ludwig-Maximilians University, Germany), Fifteenth Annual Organization Science Conference, February 5-8, 2009, Steamboat Springs, Colorado, USA

***Neuroentrepreneurship: Hormones and Entrepreneurial Decision Making.***

Biology of Cognition, Chateau Hotel Mont Royal, Chantilly, France, October 16-18, 2008.

Evolutionary Neurobusiness. NeuroPsychoEconomics Conference, Munich, Germany, October 9-10, 2008.

***Neuroentrepreneurship: The Hormones of a Successful Entrepreneur & Corporate Leaders.***

Economic Science Association (ESA), Lyon, France, 11-14 September, 2008.

***Is Homo Economicus a Myth? Should Organizations Care?***

A special symposium organized for the Academy of Management conference, Anaheim, CA, August 8 – 11, 2008, sponsored by the Entrepreneurship and Management Organizational Cognition Divisions, in co-organization with Mellani Day, Isabell Welpé, Sameeksha Desai, David Audretsch, John Dickhaut, Joyce E. Berg, Chandra Kanodia, Veronica Gustafsson, and Zoltan Acs.

***Homo corporaticus: Hormones and Institutions.***

ISNIE, June 20-21, 2008. University of Toronto, Toronto, Canada.

***Oxytocin Increases Generosity in Humans.***

Society for Neuroscience Annual Conference, San Diego, CA 2007

***A Reciprocity Model of Innovation in Teams: An Agent's Choice.***

67<sup>th</sup> Annual Meeting of the Academy of Management in Philadelphia, Pennsylvania 2007; also presented at the 11<sup>th</sup> Annual Conference of ISNIE at the University of Iceland in Reykjavik, Iceland 2007

***Oxytocin Increases Generosity.***

ESA World Meeting at LUISS in Rome, Italy 2007

***A Model for Reciprocity.***

Thinking&Doing Conference by ESNIE and ISNIE, Boulder, CO 2006.

***Mean Reversion Model with Jumps: An Application in Forecasting Commercialization of Drugs for a Biomedical Company.***

81<sup>st</sup> Annual Conference of the Western Economic Association International, San Diego, California, 2006.

***Teams, Trust, and Human-Agent.***

ESNIE, Corsica, France 2006.

***Forfeited Consent: Body Parts in Eminent Domain.***

Patenting Lives Conference, Queen Mary Intellectual Property Research Institute, University of London 2005.

***Medicine and Public Health.***

Panelist at Patenting Lives Conference, Queen Mary Intellectual Property Research Institute, University of London 2005.

***Teams, Trust, and Principal-Agent.***

European Institute of Advanced Studies for Management, 3rd Workshop on Trust Within and Between Organisations, Special Session IV. Amsterdam, the Netherlands 2005.

***Mathematical Foundation of a Decision Model for Financial Accounting Information Processing.***

MBA thesis. University of California, Riverside, 1997. Committee Chair: Waymond Rogers, Members: Sarkis J. Khoury and Woody Liao .

***Throughput Modeling Financial Information Used by Decision Makers.***

Waymond Rodgers. My MBA Thesis (listed above) is published in Chapter Four (1997) JAI.

**MEMBERSHIPS**

American Academy of Neurology (AAN)

American Association for the Advancement of Science (AAAS)

Elected charter member of the American Nutrition Association (ANA)

American Diabetes Association (ADA)

Elected member of the American Physiological Society (APS)

International Association for the Study of Pain (IASP)

International Headache Society (IHS)

The New York Academy of Sciences (NYAS)

Lifelong emeritus member of the Society for Neuroscience (SfN)

## TEACHING & RESEARCH

<b>Independent Researcher</b>	2010 to present
<b>External Research Fellow</b> Max Planck Institute for Economics, Jena, Germany	7/2008 – 2010
<b>Visiting Scholar</b> Center for Neuroeconomics Studies, Claremont Graduate University, Claremont, CA	5/2007 – 2010
<b>Assistant Professor of Economics (visiting)</b> George L. Argyros School of Business and Economics, Chapman University, Orange, CA	8/2007 – 8/2008
<b>Research Assistant to Paul J. Zak</b> Center for Neuroeconomics Studies, Claremont Graduate University, Claremont, CA	8/2003 – 5/2007
<b>Adjunct faculty</b> George L. Argyros School of Business and Economics, Chapman University, Orange, CA	9/ 2004 – 12/ 2004
<b>Adjunct faculty</b> University of California, Berkeley Extension, Berkeley, CA	6/1998 – 6/2003

## PROFESSIONAL CORPORATE CAREER HISTORY

Executive, advisory and management roles between 1998 and 2003 at Visa, Intel, and others.
